

# Elines

## E105 N97

Point of Sale

Windows

15 inch

128GB SATA  
REMOVABLE

8GB RAM

FULL METAL

FOLDABLE

### DESCRIPTION

The Elines IRIS touch screen POS (Point of Sale) is entirely made of metal, with an aluminum structure and base, making it one of the most stable and resistant devices in our catalog.

Furthermore, the structure allows for the integration of various peripherals to make the POS system much more comprehensive: a second screen, a customer display, Dallas key lock, and magnetic stripe reader.

The sleek 15-inch screen is also true flat to enhance its design, featuring minimalist and elegant lines.

### ACCESORIES AND OPTIONS

MSR: Track 1 & 2 & 3  
Dallas key  
RFID/NFC  
Fingerprint  
VFD for clients  
Second display 9,7" or 12.1"
