Elines
IRIS Intel i5
Point of Sale

- Windows
- 15 inch
- 128GB ROM
- 8GB RAM
- FULL METAL
- WIFI

DESCRIPTION

The Elines IRIS touch screen POS (Point of Sale) is entirely made of metal, with an aluminum structure and base, making it one of the most stable and resistant devices in our catalog.

Furthermore, the structure allows for the integration of various peripherals to make the POS system much more comprehensive: a second screen, a customer display, Dallas key lock, and magnetic stripe reader.

The sleek 15-inch screen is also true flat to enhance its design, featuring minimalist and elegant lines.

ACCESORIES AND OPTIONS

MSR: Track 1 & 2 & 3
