

POINT OF SALE

# TLM | 500 J6412

Point of Sale Terminal with 15-Inch Capacitive Touchscreen. Ideal for Any Type of Business, Retail, and Retail Trade.

The **TLM 500** POS stands out for its great stability and elegance, featuring a **15-inch** capacitive touchscreen. It boasts a design with simple lines and top-quality materials. Constructed with a lightweight ABS material and a metal stand to create a comfortable, ergonomic, and stable device.

This fantastic device supports any optional configuration that your establishment may require: **2-line display, a second screen for customers, or an MSR reader.** For connectivity, these are easily installed by accessing the hidden ports located on the back of the device. It offers connections for up to 6 USB ports, VGA, COM, and HDMI.
