

TABLET

TLM | T8 ANDROID

Rugged 8-inch tablet, functional, lightweight, and efficient, with an 8500mAh battery and IP67 protection against water and dust. Android 12 Operating System.

Android 12

8 inch

Bluetooth 4.0

8GB RAM

IP 67

8500mAh

The TLM T8 rugged PDA features IP67 protection against water and dust, and can withstand drops of up to 1.2 meters while in operation. It boasts an 8-inch display, making it easy to handle thanks to its lightweight design.

Efficiency is a key feature, with its 8,500mAh battery providing substantial autonomy. Additionally, you can enhance its effectiveness with optional accessories such as securing straps, leather cases, VESA mounting, or vehicle mounting.
