

ZINKPOS ALL IN ONE AIR

Display: Capacitive 11,6"

Processor Intel
N97

Motherboard
Intel N97

Ports
USB, RJ11, LAN, COM

Operative System
Windows 10/11

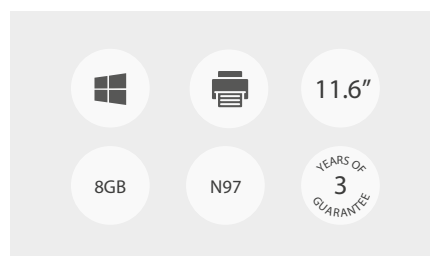

The ZINKPOS All in One Air is a compact and functional terminal that integrates everything needed for the point of sale in a single device. Equipped with an 11.6-inch touchscreen, it includes a rear thermal printer compatible with 58 or 80 mm paper, a built-in 2D scanner, and a customer display — all housed in a durable yet lightweight ABS plastic body. Its all-in-one design saves counter space without compromising on performance.

It is available in Android 11 or Windows N97 versions, adapting to different work environments based on the user's needs.
