

POS ZINKPOS AIO

Display: Capacitive 11,6"

Processor
Intel® J6412 - 2.6GHz

Industrial Motherboard
J6412 Quad Core

Ports
USB, LAN

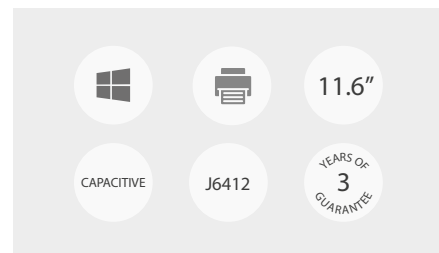

Operative System
Windows 10 / 11

The Zinkpos All in One redefines business management with its compact Point of Sale Terminal, equipped with an 11.6-inch touchscreen and available in the Windows J6412 version. This all-in-one device stands out for including an 80mm built-in receipt printer in the same terminal, streamlining operations and saving space.

The fusion of functionality and design makes the Zinkpos the ideal choice for those seeking efficiency and style in their point of sale. It is also available with multiple options such as NFC or a 2D scanner.
