

ZINKPOS ALL IN ONE TOWER

Display: Capacitive 15,6"

Processor Intel
N97 / RK3568

Disc
128GB

Ports
USB, RJ11, LAN, COM

Operative System
Windows / Android 11

Zinkpos All-in-One Tower is a compact and practical POS system that combines a 15.6" widescreen touchscreen and a built-in direct thermal printer in the base, delivering a complete solution in a single device. Its vertical design saves counter space and allows for a cleaner, more organized setup.

The system can be expanded with a second rear display (15.6" or 11.6"), perfect for showing information to customers, or with a 2-line customer display, making it adaptable to different retail environments and display needs.
